To Whom It May Concern:

I am pleased to write this letter of recommendation for Donn Roberts Construction, Inc. based on the excellent work that he has done for me on my home and my business properties.

Donn Roberts was the General Contractor on my home remodel and his company has assisted me with tenant improvements to my business properties over the last three years. Needless to say, I am very pleased with the results, and would definitely recommend his expertise to my friends and business associates.

The quality of his work is second to none, and he was able to complete the work in a timely manner, and stay within my budget. Whenever I had a question, Donn was never too busy to return my calls, and his staff was always courteous and professional in handling my billing matters.

I highly recommend the services of Donn Roberts Construction, Inc. and would use him again in the future.

Sincerely,

Reggie Drew / Owner
